

YOUTH IMPACT

The Easter outreach was a highlight for Youth Impact - serving many local homeless people as well as people in the neighboring community. Several highlights of the outreach were the following:

- Temesgen, a graduate of the 11th Batch of street boys, attended with his wife and daughter and preached the Gospel that day to the crowd .
 - A Israel, a graduate of the 9th Batch of street boys, attended with his new car - an amazing miracle to own a car. You may remember Israel as the Leather artist whom we have showcased before. Israel learned his leather working skills through training at The Hope Center

children together for Easter outreach

The HOPE Center

The newest batch of street boys has entered The Hope Center program at Youth Impact. Batch 15 has begun their journey. With 14 young men, the program is at its capacity and feels this group is ready and willing for life transformation.

PRAYERS:

- Growth of relationships with the newest batch of street boys

- Getasew, one of the Hope Center graduates remains on the list for a kidney transplant. He is raising money for the procedure & travel expenses.

- Remodeling process for the new Center of Excellence

- Praise for the healthy arrival of Abraham & Salem's granddaughter, Delina Sue Newton, born May 3, 2022 in Texas.

- Continue to pray for the country of Ethiopia- the civil war continues quietly, and the ramifications of the war will continue for years and years ahead.

When considering your giving during this unusual time of worldwide upheaval, please remember Ethiopian Impact. Your support, no matter the amount, makes a difference in the lives of young people in Ethiopia, and is needed now more than ever.
