

The New Center for Excellence

BEFORE..

THE NEW YOUTH IMPACT CENTER FOR EXCELLENCE

Youth Impact has moved its Center to a new home in a new compound. Thankfully, the previous Shalom Center has moved into a more permanent location and renovation is taking place. The work is almost complete. The center is beautiful and has space for expansion of programs. The Youth Impact staff is very excited about the increased opportunities for working with the extremely poor children in the area. Our visit confirmed the significant impact this ministry is having upon youth and families. And it affirmed our heart's desire to support and partner with this ministry in Ethiopia!

AFTER...

Youth Impact NEEDS your help FINISHING THE CENTER

The renovation project is close to completion on the outside and inside of the house and grounds. A few items still need funding. We ask that you prayerfully consider donating to FINISHING THE CENTER... Specific items will be listed below with approximate costs.

The HOPE Center

HOPE CENTER BOYS- - Board Members & Staff visited Ethiopia in February! What a blessing to meet these boys!!

Twelve street boys are working diligently to learn about Jesus, character development, a skill or trade and are going to school. Several shared their story with us and offered huge thanks for our support to them!

FINISHING THE CENTER NEEDS:

- A New Roof - \$20,000 (this is the BIG item... so much craftsmanship has been done on the inside of the building and we hope it can be protected with a new roof before the rainy season begins)
- Computers - \$10,000 for 15 computers - (\$670 each)
- Computer Stand - \$1100
- Overhead Projector - \$1200
- Box Guitar - \$700
- Keyboard - medium sized - \$2500

Stay TUNED....

We will be sharing several updates in upcoming publications about the children we met and the adults who have been through the program and what they are doing now. We were so blessed to experience and see the fruit of God's Blessing on this ministry.
